## **Wonder Years at Anderson Creek Club**

We are thrilled to announce that construction has started for the LIFELONG LEARNING CENTER at Anderson Creek Club. The building is located inside the entrance of Anderson Creek Club, just past the pool and recreation complex. One of the primary purposes of this new facility will be to house **WONDER YEARS at ANDERSON CREEK CLUB – an early care and education program for children from 6 weeks to school age.**

Construction is off to a rapid start and we are working towards a Fall 2010 opening date. The center will offer early care and education for children from 6 weeks to school age; including preschool, pre-K, and before/after school care for K-5. Summer camps for school aged children will also be offered. Hourly care will be on a space-available basis. Our hours will be 5:45am to 6pm. Once licensing is achieved, Wonder Years will apply for both the NACCRRRA military subsidy and More-at-Four programs. We anticipate full enrollment, however, priority will be given on a first come, first served basis to Anderson Creek Club residents until July 1, 2010.

The **mission** of WONDER YEARS at ANDERSON CREEK CLUB is to provide the highest quality early childhood program in a safe, healthy, nurturing environment while meeting the needs of our children and their families and helping children develop a positive self-image, a respect for others, a love of school and the skills necessary to succeed now and in the future.
